GENERAL NOTES

VERY IMPORTANT
All purchasers and haulage contractors must comply with the provisions of the above Order.
Is in an offence to transport any animal in a way which causes, or is likely to cause injury or unnecessary suffering to that animal.

NO MORE THAN 4 UNBROKEN HORSES MAY BE TRANSPORTED IN ANY ONE PARTITION.

1. Must hold a relevant transporters authorisation.
2. Must complete and keep for 6 months an Animal Transport Certificate.
3. Must hold a relevant Certificate of Competence.
Vehicles must be escape-proof, trailers must have rear top doors or a bar to prevent ponies escaping. Horses of different sizes or ages must be in separate partitions. Unbroken horses may not be transported on journeys in excess of 8 hours.

VENDORS ARE REQUESTED TO PRESENT THEIR PONIES FOR LOTTING AS EARLY AS POSSIBLE AND IN ANY CASE NOT LATER THAN 11.30 am (SEE NOTE BELOW)
NO DOGS TO BE TAKEN INTO THE SALE YARD.
LAIRAGE CAN BE PROVIDED AT OWNERS RISK BY PRIOR ARRANGEMENT.

ALL PONIES MUST BE UNLOADED & LOADED IN THE SALE YARD ONLY.

VETERINARY SURGEONS
Veterinary Surgeons on behalf of the Society will be in attendance until 11.30 am to inspect animals entering the Sale Yard. IT IS THEREFORE MOST ESSENTIAL THAT ALL LOTS ARE BROUGHT FORWARD FOR LOTTING BY THIS TIME. LATE ARRIVALS WILL BE REFUSED BY THE STEWARDS. A Veterinary Surgeon will be on call after 11.30 am but the cost of same must be paid by the owner of the pony at this time, ownership after the fall of the hammer being the Purchaser.
PURCHASERS INTENDING TO BUY SEVERAL PONIES SHOULD REQUEST A SEPARATE BUYERS PEN PRIOR TO THE COMMENCEMENT OF THE SALE. ON COLLECTING YOUR TICKET PLEASE ENSURE THAT ALL YOUR PONIES ARE GATHERED TOGETHER BEFORE YOU PARK ON THE LOADING RAMP. ONLY THE APPOINTED HANDLERS, OR OWNERS WITH PERMISSION FROM THE STEWARDS ARE ALLOWED TO DRAW PONIES AFTER THE SALE.

REGISTRATION SEARCH FEE
PURCHASERS REQUIRING THE AUCTIONEERS TO SUPPLY DETAILS OF LOTS BOUGHT 6 MONTHS AFTER THE ORIGINAL SALE DATE WILL NOW BE CHARGED A FEE OF £17.63 (£15 PLUS VAT) PER LOT.

IMPORTANT NOTE - NEW FOREST BYE-LAWS
Forestry Commission Keepers in uniform are present at the Sales and are responsible for the enforcement of the following New Forest Bye-Laws. -
8. No person shall erect, place, fix or display any placard, bill, notice or board anywhere in the New Forest.
10. No person shall camp in the Forest, or erect, place or leave therein any tent, caravan, booth, swing, pole, clothes line or other erection of whatever kind.
14. No person shall deposit or leave in the Forest (except in receptacles provided for the purpose by the Forestry Commissioners or by a local Authority) or in any lake, pond, water tank, drain or watercourse therein, any dead animals, litter, rubbish, filth or refuse of whatever kind.
26. No person shall erect, sell, hawk or distribute in the Forest any food, beverage, literature or any other kind of goods of any sort whatsoever.

A copy of the New Forest Bye-Laws is exhibited opposite the New Forest Hotel, Beaulieu Road.
The Forestry Commission, mindful of the Conditions under which this sale is granted a Licence to operate, has become increasingly concerned over the private trading in the Lorry park and illegal parking within the sale curtilage. In consequence only transport with stock to sell and bona fide Purchasers will be admitted to the sale site and a one way circulatory system will be brought into operation for loading and unloading. Hampshire Constabulary will be present to ensure that the above conditions are complied with. All private cars will be directed to park in the Public Car Park beyond the Beaulieu Road Hotel on the opposite side to the sale site.
Conditions of Sale

1. The highest bidder for any lot shall be the Purchaser and if any dispute should arise between 2 or more bidders the lot may be put up again at the highest undisputed bidding and resold or the Auctioneers may determine the dispute at their election and their decision shall be final and conclusive.

2. No person at any bidding shall advance less than the sum stated by the Auctioneers at the time of selling nor shall any bidding be retracted.

3. Each Purchaser shall give his or her name and place of abode in writing (if required) and pay the full purchase money at the close of the Sale, or if required, the whole or a portion of the purchase money as the Auctioneers may determine during the course of the Sale.

4. The Auctioneers have described the lots to the best of their ability and belief from the information furnished by the Vendor. The Vendor who supplies such statements is alone responsible for any error or mis-statement which there may be.

5. No lot/s shall be removed from the premises until paid for, but each and every lot shall immediately at the fall of the hammer be considered as, and be and remain in every respect at the absolute risk of the respective Purchaser/s thereof, and shall be removed from the Sale at the Purchasers expense, save as may be provided for under the terms of clause 7 herein. All goods sold will remain the property of the Auctioneers until the purchase price has been paid in full. The purchaser will remain a bailee only until payment is made.

6. The lots are sold as seen with all faults, imperfections and errors of description, neither the Auctioneers nor the Vendor being responsible for the current description, genuineness or authenticity of any fault or defect in any lot, and giving no condition, warranty or undertaking in those regards whatever, whether by law, statute, custom trade usage or otherwise save where such undertaking is required by law to be given. The Purchaser/s hereby agree that they have by reason of his or their own inspection and investigation of the lot satisfied himself or themselves of the accuracy of any description or other statement whatsoever given or made in connection with the sale, and of the state, nature and condition of the said lot.

7. Notwithstanding the provisions of Condition 5, where the Purchaser/s contends after the fall of the hammer but prior to his or their making payment that the Vendor or the Auctioneer has misrepresented the mechanical condition or state or the accuracy of the description of the lot in such a way to have influenced the Purchaser/s in making his or their bid, the Auctioneer may at his sole and absolute discretion have the lot removed to the premises of an independent expert selected by him at his sole discretion for specialist examination which, if necessary or appropriate, may include the dismantling and reconstruction of the lot. If in the opinion of the expert the Purchaser/s claim is justified, then provided there is no contention as to whether or not such a misrepresentation was made, the Vendor shall bear all costs incurred by the expert including those in respect of transport or delivery to his premises and any storage or charge for custody and the Purchaser/s may have the option of cancelling the sale or negotiating a lesser price with the Auctioneer. If in the opinion of the expert the claim of the Purchaser/s is not justified then the Purchaser/s shall bear all of the experts costs, including those of transport and delivery to his premises and any storage or charge for custody.

8. Inasmuch as the Auctioneers act only as Agents for the Vendor, they shall not be held personally liable for any default on the part of either Vendor or Purchaser.

9. No undertaking of the Auctioneers or their servants to take charge of any lots after the Sale, or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing Conditions.

10. Purchasers paying by cheque must be prepared, if required, to produce a letter of credit from their Banker.

11. In all cases of transfer the original Purchaser shall be held responsible for the purchase money.

12. The Auctioneers reserve to themselves the right of refusing any bidding they may deem it advisable to decline, and of withdrawing any lot/s from the Sale and to sell in such order as they may think fit.

13. Purchasers or their Agents are requested to obtain accounts and delivery orders at the Auctioneers office before leaving the place of Sale, and carefully to examine same. The Auctioneers cannot hold themselves responsible for any errors in accounts or delivery orders unless they are notified of such errors on the day of the Sale.

14. VAT - The Auctioneers will offer the lots for Sale exclusive of Value Added Tax. VAT at Standard Rate will be added when the accounts are made up.

15. All private sales made on the day of sale must be booked through the Auctioneers.

16. On the fourteenth day after the Sale Vendors shall be entitled to receive the purchase price (less commission) of any lot/s provided that the Auctioneers shall have received same and that in the event of any acknowledged debt of the Vendor/s being owed to the Auctioneers the latter shall have the right to set off such debt against the proceeds of Sale.
