1. **CONDITIONS OF SALE** The sale will be held under the General Conditions of Sale as printed at the back of the Catalogue and also under the Conditions of Sale applicable to Southern Counties Auctioneers Horse Sales, a full copy of which is available in the Auctioneers Office. **It is the duty of all Purchasers and Vendors to acquaint themselves with the Conditions of Sale.** In the case of variance, the Horse Sales Conditions will take precedence.
2. **PAYMENT All lots must be paid for on the day of sale and within one hour of the end of the sale by cash or debit/credit card there will be a 2% charge on a credit card, cheques will not be accepted unless prior arrangements have been made.** Prospective buyers wishing to pay by cheque must be prepared to produce a Bankers Reference or Cheque Guarantee Card for a sum to cover their purchases.
3. **WARRANTIES** the only warranties at the Sales are -
  - Quiet to Ride** which shall imply that the animal may be ridden by a reasonably experienced person, on its own, in company and in traffic and is sound in wind, eyes, heart and action.
  - Good Hunter** which shall imply that the animal is 'quiet to ride' (as above) has been hunted and is capable of being hunted.
  - Quiet to Drive** which shall imply that the animal is quiet and capable of being driven in single harness, in and out of traffic and is capable of doing a reasonable days work and is sound in wind, heart and action.

It is a condition of warranty that all such warranted animals shall be free from any disease either infectious or contagious, that they shall be free of vice(s) such as crib biting, wind sucking, weaving etc (unless expressly declared) and that such animals have not been tubed, fired, un-nerved or operated upon for unsoundness of any kind (unless expressly declared).
4. **UNLESS SO STATED IN THE CATALOGUE OR AT THE TIME OF SALE, UNBROKEN PONIES CARRY NO WARRANTY.**
5. **UNWARRANTED ANIMALS** are sold as seen and are taken with all faults and vices whether described or not and cannot be returned under any circumstances.
6. **COMPLAINT PROCEDURE** Purchasers are reminded that they have until **MIDDAY ON THE SATURDAY FOLLOWING THE SALE** to satisfy themselves that any such warranted animal fulfils its warranty. There can be **NO CLAIM** under the warranties unless the Auctioneers have been notified prior to the above time. There similarly will be no claim if the payment in full has not been received by the Auctioneers.
7. **INJURY** The Auctioneers accept **NO** responsibility for injury to or accident to either the Vendors or their lots, purchasers or people attending the sales from any cause whatsoever, during the time they are in the Sale Yard or In transit to or from the Sales. People attend the Sales at their own risk.
8. **DESCRIPTION** The descriptions in the catalogue are those furnished by the Vendors and the Auctioneers are not to be held liable for any mis-description, heights and ages are not guaranteed and Purchasers must satisfy themselves as to these matters. Any claim by purchasers under the Trades Description, Misrepresentation or Sale of Goods Act must be made directly by the Purchaser against the Vendor. Vendors must notify the Auctioneers at once of any mis-statements as to their entries otherwise the description as printed in the catalogue will be deemed correct, furthermore, any verbal statement made by the Vendor and entered on the Auctioneers Sale Sheet will be deemed binding on the Vendor in so far as any dispute between Vendor and Purchaser may be actionable at Law.
9. **ALL LOTS** at the fall of the hammer become the property of the Purchaser.

1. Must hold a relevant transporters authorisation.
2. Must complete and keep for 6 months an Animal Transport Certificate.
3. Must hold a relevant Certificate of Competence.

**IMPORTANT NOTE - NEW FOREST BYE-LAWS**

Forestry Commission Keepers in uniform are present at the Sales and are responsible for the enforcement of the following New Forest Bye-Laws. -

8. No person shall erect, place, fix or display any placard, bill, notice or board anywhere in the New Forest.
10. No person shall camp in the Forest, or erect, place or leave therein any tent, caravan, booth, swing, pole, clothes line or other erection of whatever kind.
14. No person shall deposit or leave in the Forest (except in receptacles provided for the purpose by the Forestry Commissioners or by a local Authority) or in any lake, pond, water tank, drain or watercourse therein, any dead animals, litter, rubbish, filth or refuse of whatever kind.
26. No person shall erect, sell, hawk or distribute in the Forest any food, beverage, literature or any other kind of goods of any sort whatsoever.

A copy of the New Forest Bye-Laws is exhibited opposite the New Forest Hotel, Beaulieu Road.

The Forestry Commission, mindful of the Conditions under which this sale is granted a Licence to operate, has become increasingly concerned over the private trading in the Lorry park and illegal parking within the sale curtilage. In consequence only transport with stock to sell and bona fide Purchasers will be admitted to the sale site and a one way circulatory system will be brought into operation for loading and unloading. Hampshire Constabulary will be

present to ensure that the above conditions are complied with. All private cars will be directed to park in the Public Car

Park beyond the Beaulieu Road Hotel on the opposite side to the sale site.

## Conditions of Sale

1. The highest bidder for any lot shall be the Purchaser and if any dispute should arise between 2 or more bidders the lot may be put up again at the highest undisputed bidding and resold or the Auctioneers may determine the dispute at their election and their decision shall be final and conclusive.
2. No person at any bidding shall advance less than the sum stated by the Auctioneers at the time of selling nor shall any bidding be retracted.
3. Each Purchaser shall give his or her name and place of abode in writing (if required) and pay the full purchase money at the close of the Sale, or if required, the whole or a portion of the purchase money as the Auctioneers may determine during the course of the Sale.
4. The Auctioneers have described the lots to the best of their ability and belief from the information furnished by the Vendor. The Vendor who supplies such statements is alone responsible for any error or mis-statement which there may be.
5. No lot/s shall be removed from the premises until paid for, but each and every lot shall immediately at the fall of the hammer be considered as, and be and remain in every respect at the absolute risk of the respective Purchaser/s thereof, and shall be removed from the Sale at the Purchasers expense, save as may be provided for under the terms of clause 7 herein. All goods sold will remain the property of the Auctioneers until the purchase price has been paid in full. The purchaser will remain a bailee only until payment is made.
6. The lots are sold as seen with all faults, imperfections and errors of description, neither the Auctioneers nor the Vendor being responsible for the current description, genuineness or authenticity of any fault or defect in any lot, and giving no condition, warranty or undertaking in those regards whatever, whether by law, statute, custom trade usage or otherwise save where such undertaking is required by law to be given. The Purchaser/s hereby agree that they have by reason of his or their own inspection and investigation of the lot satisfied himself or themselves of the accuracy of any description or other statement whatsoever given or made in connection with the sale, and of the state, nature and condition of the said lot.
7. Notwithstanding the provisions of Condition 5, where the Purchaser/s contends after the fall of the hammer but prior to his or their making payment that the Vendor or the Auctioneer has mis-represented the mechanical condition or state or the accuracy of the description of the lot in such a way to have influenced the Purchaser/s in making his or their bid, the Auctioneer may at his sole and absolute discretion have the lot removed to the premises of an independent expert selected by him at his sole discretion for specialist examination which, if necessary or appropriate, may include the dismantling and reconstruction of the lot. If in the opinion of the expert the Purchaser/s claim is justified, then provided there is no contention as to whether or not such a misrepresentation was made, the Vendor shall bear all costs incurred by the expert including those in respect of transport or delivery to his premises and any storage or charge for custody and the Purchaser/s may have the option of cancelling the sale or negotiating a lesser price with the Auctioneer. If in the opinion of the expert the claim of the Purchaser/s is not justified then the Purchaser/s shall bear all of the experts costs, including those of transport and delivery to his premises and any storage or charge for custody.
8. Inasmuch as the Auctioneers act only as Agents for the Vendor, they shall not be held personally liable for any default on the part of either Vendor or Purchaser.
9. No undertaking of the Auctioneers or their servants to take charge of any lots after the Sale, or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of the foregoing Conditions.
10. Purchasers paying by cheque must be prepared, if required, to produce a letter of credit from their Banker.
11. In all cases of transfer the original Purchaser shall be held responsible for the purchase money.
12. The Auctioneers reserve to themselves the right of refusing any bidding they may deem it advisable to decline, and of withdrawing any lot/s from the Sale and to sell in such order as they may think fit.
13. Purchasers or their Agents are requested to obtain accounts and delivery orders at the Auctioneers office before leaving the place of Sale, and carefully to examine same. The Auctioneers cannot hold themselves responsible for any errors in accounts or delivery orders unless they are notified of such errors on the day of the Sale.
14. VAT - The Auctioneers will offer the lots for Sale exclusive of Value Added Tax. VAT at Standard Rate will be added when the accounts are made up.
15. All private sales made on the day of sale must be booked through the Auctioneers.
16. On the fourteenth day after the Sale Vendors shall be entitled to receive the purchase price (less commission) of any lot/s provided that the Auctioneers shall have received same and that in the event of any acknowledged debt of the Vendor/s being owed to the Auctioneers the latter shall have the right to set off such debt against the proceeds of Sale.
