

**BEAULIEU ROAD PONY SALE**  
**THURSDAY 25<sup>th</sup> NOVEMBER 2010**

**186 Forward** Auctioneer Iain Soutar

What promised to be a glorious day in the morning just got colder and colder and colder as the sun went in and the wind got up, testing the resolve of the buyers, handlers and the auctioneer!

As the crowd around the ring was probably the smallest seen at Beaulieu Road for many years at the start of the sale, by the end of the day selling had become very difficult.

However, despite the feeling of a very difficult trade the registered filly foals actually averaged more than in either September or October with the highlight a halter broken bay filly to make 14.2hh from Erica Lovell which reached 360 gns. Colt foals were a much harder proposition and it became harder and harder to achieve the minimum 10 guineas.

Older registered ponies sold to 340 guineas for Mark Adam's 2 y.o. halter broken grey gelding.

In the part bred section blanket spot fillies from Peter Butler and Jumbo Seager made 205 gns and 180 gns respectively.

In section 4 a large entry of Shetlands met a selective trade to a top of 190 gns for a particularly small Chestnut and White filly foal from Matt Gerrelli, whilst donkeys reached 260 gns for a Jenny foal from the Coutts family.

Top prices of the day to Andrew and Mark Taylor with their strong 3 y.o. fillies selling to 525 gns for a 14.3hh Dun & White pony.
